

Soroptimist International North Shore and Soroptimist International San Diego

Educate to Lead Award North Shore Sponsorship Project

This is a special opportunity to be part of the work of Soroptimist International Educate to Lead Award. As a sponsor you have the opportunity to help make a difference to families in our community, while promoting a branding visibility opportunity.

Soroptimist International New Zealand is part of a group of professional and business Women's service clubs in the South West Pacific region who work at a local, national and international level to educate, empower and enable women and girls. We have been on the North Shore for over 46 years. This year to celebrate 100 years of Soroptimist International we have partnered with SI San Diego to help provide a financial award for women in study.

This is a unique education grant for women who provide the primary financial support for their families. The award gives women the resources they need to improve their education, skills and employment prospects. Recipients may use the award to offset any costs associated with their efforts to attain higher education, such as books, childcare, tuition and transportation. The aim to help recipients worry less about how to pay bills and focus on improving the family income.
